

Thank you for your recent contribution to the Thirteen Step House golf outing. The event was a great success! Your display of generosity enables us to provide a safe and secure environment for men pursuing a life of recovery from drugs and alcohol. We strive to provide the tools necessary for men of various ages, ethnicities, and socioeconomic backgrounds to secure and maintain sobriety. It is the vision of Thirteen Step House that these men may return to their families and communities to live and work free from the prison of addiction. YOU make what we do possible! We look forward to your continued support.

Sincerely,

The Thirteen Step House, Inc.
