

## THANK YOU!!

Thank you for your generous contribution to help our JAHS Mock Trial team represent our state, city and community at the 2015 National Competition in Raleigh, NC. We placed 23<sup>rd</sup> out of 46 teams and are very proud of our performance. We received many compliments from judges and other team coaches, particularly for our knowledge of the law, something for which the JAHS Mock Trial program is nationally recognized.

It was a tough competition and a great learning experience for all of us, and would not have been possible without your financial support. We are grateful for our community, teachers and coach who have given generously of their time, talent and treasure.

As we head off to the next chapter in our lives, we will remain appreciative of all that we have been given by South Bend Community Schools, the John Adams Mock Trial program, and the South Bend community, and will endeavor to give back in turn.

With sincere gratitude,  
Team "NO RAGRETS"
