Dear Mr. Blackburn,

On behalf of the staff of Healthier Moms and Babies and our Advisory Board, I'd like to thank you for making our 2016 inaugural "Hats and Heels" fundraiser a success! I hope that you enjoyed learning more about the mission and work of Healthier Moms and Babies and were also touched by hearing about our former client, Tiffany.

The evening helped to raise awareness of the Healthier Moms and Babies' mission of reducing infant mortality and improving the outcome of pregnancy in Allen County at a time when many high-risk, low-income pregnant women need our services.

We appreciate Blackburn and Green's sponsorship of \$1,250 all of which benefits Healthier Moms and Babies. If Blackburn and Green makes another donation this year, you will receive a year end letter for tax purposes in January. Otherwise this letter will serve as your receipt for tax purposes.

Thank you again for your support in "Nurturing New Beginnings" and we hope to see you at next year's "Hats and Heels" on Friday, April 21<sup>st</sup>!

Cheers,

Paige Wilkins
