Dear Blackburn & Green,

Thanks to your generous support, 2017 was an amazing year for *afO*! Over 2,300 audience members attended our Home Stage Productions at the PPG ArtsLab. In May, nearly 40 student and adult volunteers participated in producing the eight winning plays of our annual Young Playwrights Festival.

We are excited about plans to grow our audience and community connections in 2018. God did incredible things for us last year, and with your continued support, He will do even greater things as we continue to impact our culture for God through the arts.

Please take a moment to review your 2017 giving record. If you find any discrepancies, please call *afO* at (260) 745-4364, and we will be pleased to review your record and make the necessary changes.
