Dear Tom,

Thank you for partnering with A Hope Center in our campaign to purchase our very own medical mobile. We are excited to meet our clients in the places where they need us most.

Your gift will allow us to help more people like Maria* who saw the medical mobile (leased from Heartline Pregnancy Center) parked in the plaza where she works. Maria and her husband immigrated to the United States from South America and longed to have children of their own. They were thrilled to find out that Maria was expecting a baby. The mobile unit staff encouraged Maria to make choices that would help her have a healthy pregnancy through providing her resources to prenatal care previously unknown to her.

We have raised \$2,569 of our \$100,000 goal. If you desire to continue to help us, giving is still available online at www.ahopecenter.org or can be mail them to our office at 3630 Hobson Rd., Fort Wayne, IN 46815.

We thank God for the clients who step onto the mobile and those who enter our "bricks and mortar" centers. We also thank God for people like you who contribute through financial gifts and prayer. May God Bless You in 2018!

In Him,
