Dear Tom,

Thank you for supporting Big Brothers Big Sisters. Your contribution of \$500.00 was received and is greatly appreciated. Your support will help provide mentoring programs for more than 500 children currently waiting for a Big Brother or Big Sister of their very own.

"My Big Brother Evan makes me happy.  
We do lots of fun stuff together."

-Little Brother Kenneth, age 9

**Defending Potential...**

Matched for almost six months now, Little Brother Kenneth and Big Brother Evan are already becoming good friends. So far, they have enjoyed playing cards together, building with Legos together, and just doing fun stuff. The pair truly makes each other happy and they're excited for more lunches together next year.

Big Brothers Big Sisters is committed to making a difference in the lives of our children, volunteers and the communities we serve. Last year, we served more than 1,700 children with adult mentors across our 12-county service area. Our dedication to putting children on the path to success and building strong family bonds will lead to building better, brighter futures for all- just like Little Brother Kenneth and Big Brother Evan.

Big Brothers Big Sisters works because of donors and supporters just like you. Your commitment and investment to making a proven difference inspires and motivates us to do and achieve more every day. Because of your continued support, the lives of the children and our community are changing for the better, forever.

Again we thank you for your contribution and for Defending Potential!

Sincerely,

Josette Rider
