Dear Tom,

Saying thank you can be as simple as "thanks" as someone passes us the salt shaker.

Or, it can be one of those situations where we're not sure what to say. Someone overwhelms us with an unexpected gift, and we feel as if we must "repay" in some way. Finally, we realize that a heartfelt "thank you" is all that is required.

When it comes to your support for A Hope Center, several thoughts come to mind as I say "thank you."

For one, I'm thankful that you chose us. God laid this ministry on your heart, and you listened.

Everyone who prays, volunteers or gives is a member of the family at A Hope Center, and you play a vital role in this particular family who wrote us a note of gratitude.

*I think of you often...especially when I look at my son. That moment is so prominent in my mind and you were a huge part in that. No road seemed like the easy way. No matter what I chose I knew I would struggle. But you lifted me and I knew my struggle with his life would far out way my struggle without him. What you've chosen to do has very much saved a life. I know He placed you there to save me and my son. And I'm forever grateful and blessed. Thank you.*

Your gift to A Hope Center has impact, and you are appreciated!

In Him,
