Dear Tom,

Thank you for the impact you have made to A Hope Center!

Earlier this year you answered the call with a major gift to support A Hope Center at our annual banquet.

Through your generosity, along with other attendees, we were able to surpass our goal of \$250,000. Praise God! This amount is roughly one third of our annual income goal and will ensure that services to the community will remain free to all who desire them.

A client recently sent us this note that reads:

I think of you often...especially when I look at my son. That moment is so prominent in my mind and you were a huge part in that. No road seemed like the easy way. No matter what I chose I knew I would struggle. But you lifted me and I knew my struggle with his life would far out way my struggle without him. What you've chosen to do has very much saved a life. I know He placed you there to save me and my son. And I'm forever grateful and blessed. Thank you.

At the banquet we also announced our new location in Whitley County. On Tuesday, June 4th A Hope Center Columbia City opened its! We are so thankful for the donation of the building and the community for welcoming us with open arms.

On behalf of the board of directors, staff, and volunteers, thank you! Your gift to A Hope Center has impacted our clients, and You are appreciated!

In Him,
