Dear Thomas,

Thank you for your generosity and faithful giving to The Navigators!

Today we have 2,800 U.S. Navigators serving in the States and overseas in 57 countries. Worldwide we have 5,000 Navigators serving in 115 countries and counting. The value of sending a Navigator cross culturally is represented in what Anthony shared about Joe Maschoff, who serves in the Dominican Republic.

“My relationship with Joe can be described as a relationship with a father, a friend, or a brother,” Anthony says. “Since we met, we knew that God had a plan to unite us. Biblical studies, advice, and friendship have forged a bond between us. My wife and I are grateful for spiritual growth as a couple. We are blessed with Joe and his family.”

Thank you for being part of investing and transforming lives all over the world.

Your gift matters, thank you!

With Gratefulness,

Jim Young  
 Sr. VP Development
